

Microsoft Teams FAQs

Q: How much does the Teams integration cost?

A: Nothing additional on pickAtime's part, but the integration does require a paid Teams account.

Q: Can multiple people receive the links?

A: The links will be in the Printable PDF sent in the Confirmation/Reminder emails, and those only go to the appointment maker. However, those emails can be forwarded to whomever the appointment maker wishes.

Q: How long does it take for the links to be generated?

A: It can take 40 minutes for a new link to be generated and added to the reports.

Q: Will teachers log in to pick a time to get the link to their virtual conference, or does it create a meeting with a link on their calendar?

A: Teachers can sign into pickAtime to view their schedule and meeting links by navigating to Reports / Event Reports / Teachers Schedule.

Q: Can I add my integration retroactively?

A: Yes, you can do the integration after the event closes. Make sure that you alert parents so that they are aware, and the links will be included in the Printable PDF within the reminder email.

Q: Can there be two virtual hosts?

A: No, there can be only one host.

Q: How do I change the host?

A: For the team of teachers, the system will select the first teacher as the host/lead teacher, and the other teacher(s) and parents will then be guests. To change the 'lead' teacher, you would need to add(if they are not already a part of the team) the new lead and remove the other teacher(s) from the team. Then you will allow Google to update to that change (40 minutes) and then re-add the other team members.

Q: Why aren't my links appearing? I added a service and appointment fields, giving the parents their appointment choice.

A: For the links to appear, the slots must be Virtual or Virtual/In-Person. Please update your slots to either the Virtual or the In-Person or Virtual option for your parents. To do this, on the Appointment Tab (Events Management), click on the Slots drop-down menu and click Update Slots. From there, you can update your Appointment Type for your slots.

To update the slots appointment type to virtual:

1. On the Settings/Admin View Settings tab, check the box 'Show the "Appointment type" dropdown.'
2. On the Appointments tab, select the date on the calendar, then click Slots>Update Slots, select the slots appointment type virtual, and click Ok.

To remove the Services, click the red Xs to the left of the Services.

To remove the Appointment Fields, click on the field in Appointment Fields and then click the right-hand arrowhead to remove the appointment fields.

the links have disappeared.
