Working in the Admin UI

Help! The time slot boxes in the Admin UI are too small. How do I adjust this?

You have two options:

Option 1: Resize manually Hover your cursor over the time labels in the left-hand column, then click and drag to stretch or shrink the slot boxes.

Option 2: Adjust the global display setting

1. Go to **Settings / Vendor View Setup**.
2. Adjust the **Time Slot Display Scale**.
